An industry-recognised "chiffon expert", SFATE & COMBIER is also famous for its fabric grades in satin, organza and shimmering chiffon, to name just a few. They offer a bold and varied palette of colourways in these permanent grades with a service stock. Every year, they create around 2000 new fabric designs: new plains weaves, novelty jacquard fabrics and more.

Guigou is the "Rolls Royce" of Jersey fabrics, boasting unrivalled knowledge and expertise in the manufacture of tubular, run-resistant knit. They work with a full range of natural and synthetic materials, and also develop several materials in collaboration with leading luxury brands. Their collections invite you to explore their extensive range of designs from the lightest to the heaviest, and the most luxurious to the most technical of fabrics.

Their core business area is haute couture, fashion designer and high-end ready-to-wear clothing.

BUSINESS FRANCE

www.businessfrance.fr

Business France is the national agency supporting the international development of the French economy, responsible for fostering export growth by French businesses, as well as promoting and facilitating international investment in France.

It promotes France's companies, business image and nationwide attractiveness as an investment location, and also runs the VIE international internship program. Business France has 1,500 personnel, both in France and in 58 countries throughout the world, who work with a network of partners.

Since January 2019, as part of the reform of the state support system for exports, Business France has given private partners responsibility for supporting French SMEs and mid-size companies in the following markets: Belgium, Hungary, Morocco, Norway, the Philippines and Singapore.
